

# THE AMAZING 797 - THE POSSIBLE DREAM

Rock Lake Christian Assembly has reached liftoff speed and is taking flight. Like the 747 Jet taking people to a pre-determined destination, the 797 program is designed to fly *The Assembly* into the future. We are currently looking for 820 individuals who are willing to invest \$7.97 providing the tools to make a difference in the lives of young people. That is all it will take to pay for the two lodges currently being used for numerous programs to be paid off in full. Eight hundred-twenty people, giving \$7.97 per month for a five (5) year commitment period. Monies received through this particular appeal will be applied directly to principle. This maneuver helps the 797 program become the incredible shrinking mortgage program. Climb on board and help make a difference. As with all donations to Rock Lake your investment in this program is tax-deductible. If you would like to participate either print this page, fill in the information below and send it to the camp or call the Camp Office at **989-268-5377** and ask for some information to be sent.
