THE ROCK LAKER GATHERING

for alumni and friends of RLCA

Friday Evening, September 15 thru Saturday, September 16, 2023

“The Good, the Bad, and the Ugly”

THE ROCK LAKER GATHERING is for all friends and alumni of Rock Lake Christian Assembly. We will gather at the Tabernacle, share meals in the Dining Hall, sing around the campfire, and be encouraged by great teaching and preaching of the Word. Our goal is to support Rock Lake Christian Assembly, ensuring that what we have experienced in the past is passed on to future generations.

Dr. Keith Wise

At our 2023 Rock Laker Gathering Dr. Keith Wise, from the St. Louis Church of Christ will be our speaker. Great Lakes Christian College students will lead the worship service in the Tabernacle and Keith will bring the first message, “The Good.” The offering for RLCA will go to build the retaining wall.

Saturday morning message will be on “The Bad”. During the afternoon session we will hear from Dr. Frank Weller, President of Great Lakes Christian College, and we receive a special offering for GLCC. In the final afternoon session, Dr. Keith Wise will bring the message on “The Ugly”.
